JESUS BLESSES THE CHILDREN

Jesus said, "Let the little children come to me, and do not forbid them: for such is the kingdom of heaven"

Matthew 19:14

Dear partners, friends, and family, thank you for blessing the children. We are thankful for your faithful prayers and financial seed, you are making a difference! Thank you for caring about them and for loving them. Some of you call and ask me how you can bless the children and ask about what they need. My heart rejoices when I hear these words because you are sensitive to the Word of The Lord in caring about them. Here at TALOF Ministries, we are very grateful to The Lord for you, and we keep you in our prayers. I received amazing testimonies of the blessings of God in your lives. We rejoice with you, and we thank Jesus for His Goodness and answers to our prayers!

With love, *Louise*

CONSTRUCTION

We are working on completing construction for the 7th classroom and teacher's office. The Ministry of Education is requiring construction to be finished as soon as possible. Thank you for considering to donate an extra seed for this cause. May the Lord bless you abundantly!

FAMILY AT THE VILLAGE

On a regular basis, we are reaching out to the school's village to help the community and address their needs. This one of the many stories that we can share... This is Fred, a widower with his 2 children. Our eyes filled with tears when we visited their place where Fred and his children live.

We blessed them with food and beds. They were so happy that they hugged us with tears and laughter, YOU DID IT PARTNERS! Thank you!

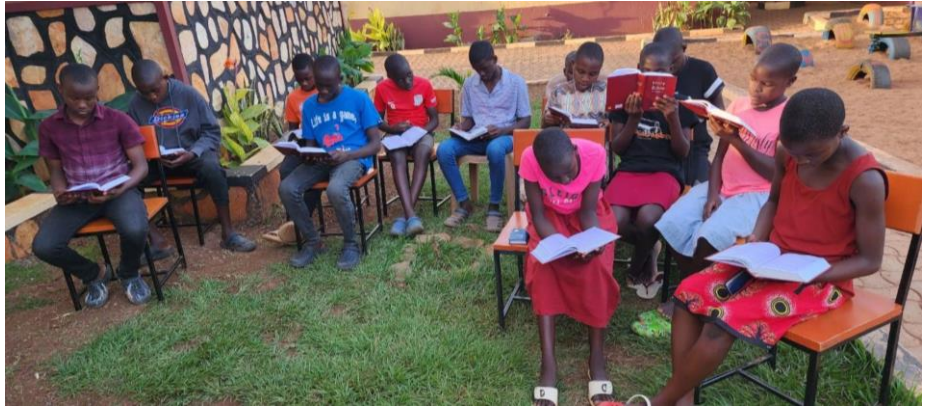

The children are now attending the school and learning so much! They feel happy, loved and blessed to be at school.

BIBLE STUDY

We have been buying more Bibles for the school, as well as Bibles to give to the villagers. Thank you for helping us spread the Gospel, you are a part of this too. You are the wind under our wings! We had Bible classes and held prayers. Partners, they pray for all of you and are so thankful that you have a heart like Jesus to love and help them. They have a prayer request, which is for God to help them score the best results at the end of this year. Thank you for praying for them and their request.

SHOES & TESTIMONIES

It is that time again for new shoes. This is Hadija, she is an orphan girl. God has done wonders for her and her grandmother. She told us that before joining Heritage of Faith School, she never had shoes in her life! God has truly blessed her. You can see Hadija holding her pair of new shoes, next to her pair of old shoes. Please help us provide shoes for the 325 children, so that they too may be blessed as Hadija has been blessed.
