

HAPPY BLESSED NEW YEAR 2023

January 2023

With grateful hearts from USA and Uganda

Now, may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness.

2 Corinthians 9:10

ADMINISTRATOR'S HOUSE

Dear partners, Thank you! I treasure your prayers, encouragement and financial support deep inside my heart! Your amazing seed and faithfulness to TALOF are making a huge difference in the lives of the children and to many people in Mugembe Village. What a joy it is for me to share God's amazing faithfulness, even in times when we struggle, but never give up. We stand in faith, believing for the supernatural manifestation of His provisions to continue the construction. It has been five years already; we have 275 children attending classes. Our current need is to finish constructing the third building, which will house three additional classrooms for 5th, 6th and 7th grade. We aim to accomplish this by the end of this month January! But He is Lord of the impossible, and with God, ALL things are possible. I believe! Matthew 19:26

I was reading Brother Jerry Savelle's letter and shouting with joy about what the Lord says to him..."You are walking into a new season of harvest, 2023 will be the year of the maximum, the year of the highest level attainable." I received it and my prayers are with all of you, my dear partners, for His word to be manifested in all of us.

BEFORE AFTER

BUILDING 3 CLASSROOMS FOR GRADES 5TH, 6TH & 7TH

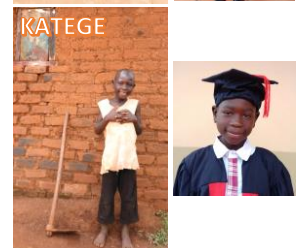

We still need \$18K to complete construction. If you would like to plant a seed, the kids will be so surprised of the goodness of God because that is exactly what they are praying for.

CLASSROOM

Thank you for donating 6 sewing machines to train these young girls who have suffered from abusive situations. They are so grateful to you because their lives are changing, and they are attending Bible studies too.

CHRISTMAS ANGEL TREE CELEBRATION

Thank you partners for contributing to the Christmas Angel Tree celebration. They didn't know what Christmas was, so we taught them the meaning of Christmas. We showed a movie about Jesus, they enjoyed gifts, food and games. They were so amazed that many of them even cried tears of joy when receiving gifts. You have made a difference in a life of each child.
