TALOF's 25th Anniversary

Congratulations Partners—We are few but mighty!

Friends, Family & Partners,

I'm so grateful to The Lord for His amazing Goodness and Grace, for the last 25 years and for the many years that are still to come! My Staff and I give thanks to God for you. Each and everyone of you are God's given partners to TALOF, and we appreciate you very much!

Though we only have a handful of faithful partners, who hear from the Lord and through you and your faith in the Lord, we are able to experience the miracles and supernatural manifestation of The Greatness of Our God! We appreciate your faithful support, you never give up on us, you keep us encouraged, surround us with your prayers and your financial support. You meet every need that TALOF fulfills for the people of UGANDA. You are all in our hearts and our prayers, we treasure you!

Loudes

"Give thanks to the Lord, for he is good; his love endures forever."
Psalms 118:29 (KJV).

URGENT PROJECT:

NEVER THIRST AGAIN 2!

Partners we were very successful in completing the current water well on the school grounds. This well supports all the children in our school and the surrounding villages that are within a 2 mile radius. We are in need to complete a 2nd water well as soon as possible. We need to raise \$10,000 to build this well. The demand for water has grown in the past two years in the outer villages beyond the school. We have the opportunity on our land to access an additional area that has a large water table that would be accessible to the people in the northern villages.

With your support, we can make a major difference in the lives of the people and help them provide for their own needs. Disease and death should not be a way of life for anybody.

To Donate please mail to: P.O. Box 220612; Santa Clarita, CA 91322

or visit: www.talof.org

With your help, we can make a difference Water is Life.
