

Christmas Update!

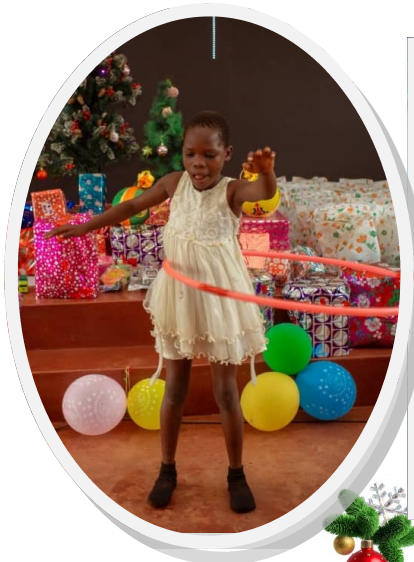

You are the *Angels* sent to bless the children!

With your support, the children had an amazing Christmas Party! 450 children showed up from villages all around. We played games, ate food and passed out gifts, such as clothing, bags, water bottles and toys. Sharing the good news that he was born unto this world to save us. Many received Jesus in their hearts. The children were filled with joy with the amount of love pouring out over them.

Partners you are a beacon of light and love in their lives. Thank you with all our hearts for your prayers, love, encouragement, and great financial support it means the world to me. You are the wind under my wings! You are in my heart and in my prayers! Love you!

Christmas Blessings:

Widows, Single Mothers and the Elderly!

It was a special time celebrating Christmas with widows, single mothers and the elderly. We ministered to them and shared the love of Jesus. Many received the Lord as their savior. They were so happy cheering and some cried tears of joy! We blessed them with food, and a live chicken, which for them is an amazing once-a-year gift for them!

Outreach in the Village!

Margaret is a blind elderly grandma living with her orphan grandchild, who is the breadwinner for the household. They were so happy when we visited and blessed them with food for Christmas. She gave the glory to God for the Food.

Sharing the Love of God in the Village, where the school is located. We were able to bless over 220 families with Food. Many were saved and many amazing testimonies.
