

"His Love and Provision"

Psalm 132:15 - I will bless her with abundant provisions...

UGANDA ~ April 2025

LOVE IN ACTION!

Dear Partners,

I want to thank you for all the support you have provided to TALOF in the US and Uganda. Through your generous support and with the guidance of the Lord, we have been able to accomplish so much these past years. We have built a beautiful school, provided provisions for the needy, built homes for the sick, widows, and elderly. We have provided shelter and schooling for orphaned children and spread the gospel, bringing thousands to the Lord, among so many other things. TALOF is not a large ministry, but with the few mighty and faithful who support monthly or periodically, we have been able to accomplish what a large ministry would. We are like the 5 loaves of bread and the two fish that the Lord has used to feed a large crowd and do amazing things. I thank you from the

bottom of
Hearts

Matthew 14:17-19 (KJV)

And they say unto him, We have here but five loaves, and two fishes. He said, Bring them hither to me. And he commanded the multitude to sit down on the grass, and took the five loaves, and the two fishes, and looking up to heaven, he blessed, and brake, and gave the loaves to his disciples, and the disciples to the multitude.

The Children thank you from the bottom of their hearts!

We want to acknowledge the students who have all worked so hard and have received high awards in the District!

I'm happy to share that our teachers have been recognized and awarded a Certificate from the Ministry of Education for their hard work teaching the children Scholastic and Bible Classes.

Please keep myself and TALOF in prayer. I need all the prayer and financial support for my upcoming trip back to Uganda at the end of May. My goal is to raise money to address some of the urgent needs of over 330 children from very poor families that live in the village.

Many of these families struggle to provide for their children's daily needs. Currently, we need to replace 267 pairs of worn-out shoes, which are essential for the children's well-being. We also need to have 50 more uniforms made for the 7th and 4th grade students. Additionally, we require t-shirts, such as polo shirts, for academy purposes, as well as shorts for football, soccer, and physical exercise activities. We would also like to purchase 100 Bibles to distribute during our crusade as new children of God come into the kingdom and accept the Lord as their savior.

While I'm there, I will be conducting an outreach program called "His love and provision." Unnaturally heavy rains have ruined crops, leading to scarce food supplies for the poor families in our community. As you know, rainfall plays a crucial role in crop health, but both too little and too much rain can negatively impact crops, leading to reduced yields, diseases, and soil degradation. Our mission is to provide nutritional support and enhance the quality of life for men, women, and children living in poverty and suffering from illnesses. We are the only organization providing these services in our village, and our families range in age from infant to 93 years. Many of them live in squalor and suffer from multiple illnesses.

With "His love and provision" Outreach, the goal is to provide food, medication, and basic supplies to prevent or reverse nutrient deficiencies, maintain strength and energy, aid in recovery and healing, and maximize quality of life, all by showing the Love of God. I would be grateful for any support you can provide. Your contribution will directly impact the lives of these children and families in need.

*Whoever is generous to the poor lends to the Lord, and he will repay him for his deed. **Proverbs 19:17***

Ministering at the School.

Believing to buy 100 Bibles.

Believing for 267 pairs of new shoes.

"Thank you Partners with all my heart! You demonstrated your love in action! I pray God's blessings upon you and that the favor of God brings supernatural increase and promotion in your lives."
