

"Love has no Limits"

John 4:16 - "God is love, and whoever abides in love abides in God, and God abides in him."

UGANDA ~ June 2025

Dear Partners,

LOVE IS INFINITE!

Thank you for your incredible love, prayers, and financial support that enabled my recent mission to Uganda. Your generosity allowed me to serve the people there, and I'm so grateful for all you've done. It was truly wonderful to visit the school and witness the amazing work the teachers and staff are doing for the children. My daughter, Giovanna, joined me on this trip, which was a huge blessing. While mission work is challenging, by God's grace, we accomplished so much!

The two-day crusade was truly miraculous, with **600 souls saved** and countless powerful testimonies. With the generosity of my partners we were able to purchase 560 bibles for adults and children in both English and Luganda (their language) to give to the people.

We also had the privilege of providing for the surrounding villages, **feeding over 250 families**. Each family received a package containing: 20 lbs of flour, 10 lbs of rice, 10 lbs of beans, 2 lbs of sugar, 1 bar of soap, 1/2 liter of cooking oil.

We dedicated a special day to the children and teens, sharing devotions and praying with them. We also provided toiletries and hosted a party to celebrate God's love, complete with biscuits, soda, and a variety of candies for them to enjoy. Additionally, we held a conference day for local pastors from nearby villages and led multiple church services where I had the opportunity to spread the gospel.

I also wanted to share an important update from the U.S. As some of you may know, Graceann, who serves as the administrator for TALOF, was diagnosed with Stage 4 cancer. Praise God, she is now considered **cancer-free**! She will still undergo four rounds of chemotherapy, so please continue to keep her in your prayers for complete healing and no lasting side effects.

As I've mentioned before, TALOF isn't a large ministry in numbers, but with the consistent support of our mighty and faithful partners—whether monthly or periodically—we are able to achieve what many larger ministries do. From the bottom of my heart, I thank you and am so blessed to call you brothers and sisters in the Lord.

With all my love,

Lourdes

"LOVE NEVER FAILS"

"Thank you Partners you have demonstrated your love in action! I pray God's blessings upon you."

T wo day Crusade!

This is Lwanika who gave his life to the Lord. He prayed for God to provide for his family and for the health of his Grandma.

For two years, this woman had sought relief at various hospitals for chronic chest pain. While hearing the gospel preached, she experienced the Lord's healing power and was delivered from her discomfort.

This is Josephine while she was lifting a 5 gallon bottle of water. It fell and hit her stomach which caused the baby to stop moving, which lasted for a week. When we were preaching the gospel she felt the presence of the Holy spirit and her baby started moving again.

For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes,... **Romans 1:16 NKJV**

"THANK YOU FROM THE STAFF IN UGANDA"

Hadijja is an 11 year old who lost her mom when she was 2 years old. She currently lives with her grandma as no one knows her father's where about. She is blessed as she is able to study at Heritage and is now in grade primary 3. We have been able to bless her with new shoes, a school bag and clothes. We were able to bless her family with food and the grandma was so grateful and began to sing praises to the Lord for all the blessings God has given to her family through TALOF.
