

JULY 2026

GROWING HEARTS, MINDS, & HOPE

Dear Friends and Partners,

I just want to thank you all for your prayers, your encouragement, and your beautiful notes, I read them all and they encourage me greatly. Thank you for your financial support, you are making a difference in the lives of the children. They have a future and we're making them champions in life. The children and staff in Uganda, as well as myself, are always praying for you, every day, and we know that God loves the cheerful givers, and that's what you are. From the bottom of my heart, I am grateful and thank God for you. I love you all dearly. ❤️

Sourdes

A LOVE FOR GOD'S WORD

The children absolutely love their Bible classes! We rejoice to see young hearts eagerly learning Scripture and growing in their relationship with Christ. We are especially thankful that several children from Muslim backgrounds have placed their faith in Jesus and are now boldly following Him. Their excitement for God's Word is an incredible encouragement and a reminder that the Gospel continues to transform lives.

OUR KINDERGARTEN CLASS

Our youngest students continue to flourish in a safe, loving, Christ-centered environment where they are encouraged to learn, explore, and grow each day.

By providing a strong educational and spiritual foundation at an early age, we are helping prepare these children for a bright future filled with hope and opportunity.

BAKING CLASS

Our 6th grade students were excited to participate in a hands-on baking class where they learned to make mandazi, a traditional East African deep-fried bread! The aprons and the toque they are shown wearing in the photo were created by them in their sewing class.

EXPANDING FOR THE FUTURE

This year we have many children attending the school, some of them are orphans, but the government does not allow us to let more children in the classrooms because they are filled already beyond full capacity. To accommodate for this, we are building three new classrooms and in order to complete them, we need to raise \$16,000.

If it is in your heart to be a blessing towards this project, we will be grateful for your prayers and faithful support.

I want to say thank you so much for the contributions for a second van, it has been such a blessing to the children and the to the school because it has made providing transportation more convenient and safe.
